COONAWARRA

## 2020 OLD VINES CABERNET SAUVIGNON

The 2020 Hollick Cabernet Sauvignon *OV* is made from a selection of fruit from our older Cabernet Sauvignon vines (OV). It is grown on shallow terra rossa soils in the Neilson's Block and Wilgha vineyards in Coonawarra, planted in the 1970s and 1980s.

The 2020 vintage can be characterised by warm sunny days and cool nights providing the perfect, even ripening conditions for our famed Coonawarra Cabernet.

Our Cabernet Sauvignon was picked gradually at optimum ripeness from late March to late April. Exceptional colour intensity and vibrant fruit character are the hallmarks of this vintage.

In the winery, individual parcels of grapes were handled carefully to retain intense fruit flavours developed in the vineyard. Subsequent maturation in French oak (20% new) provides the 2020 Cabernet Sauvignon with structure and presence on the palate.

Region	Coonawarra	
Varietal Composition	Cabernet Sauvignon	
Appearance	Vibrant scarlet	
Aromas	Cassis and stewed plum with spice and chocolate.	
Flavours	Rich cassis flavours and berry fruit aromas dominate the wine. Subtle tannins provide balance whilst the lingering dark chocolate adds an elegant finish	
Technical Details	Alc/Vol	14.9%
	pH	3.5
	Total Acidity	6.0 g/l
	Bottled	November 2021
Cellaring	5 to 10 years in a good cellar will be amply rewarded.
