Alcoholic Ginger Beer

SOUTH AUSTRALIA

BACKGROUND

Produced in England since 1740, Stone's has been made in Australia to the same ancient formula since the early 1960's. Ginger is one of the oldest herbs known to man and is popular in oriental cooking and confectionary. Ginger has also been linked with many therapeutic values.

Stone's Alcoholic Ginger Beer was first produced in 2003 following years of trial (and error)! This fantastic product carries on the tradition of fine ginger drinks in the Stone's range. No beer fridge is complete without it.

TASTING NOTES

Pale soft yellow in colour, Stone's Alcoholic Ginger Beer is a refreshing, zingy drink with a definite hit of ginger both on the nose and palate that is moderated by a softening sweetness.

As they say - Relax, chill deeply and relish in the tang and tingle.
