FINE WINE CLUB - BARRY WEINMAN - 03.08.22

“This initially presents quite savoury and earthy, but there is a core of ripe fruit sitting in the background. This is quite textured, made in a more structured, contemplative style. The oak plays a role, adding texture and mouthfeel. Medium term cellaring would be of benefit, but this would be great with Tapas now.”

WINE ORBIT - SAM KIM - JULY 2024

“Brightly fruited and inviting, the bouquet shows raspberry, sweet cherry, floral and mixed spice aromas. The palate displays juicy fruit intensity combined with smooth texture and rounded mouthfeel, finishing soothing and silky. At its best: now to 2027.”
