2023 RIESLING
CLARE VALLEY, SA

REVIEWS

93 Points

WINE PILOT - KEN GARRETT - AUGUST 2024

“Free run juice used here with a temperature controlled fermentation, the colour is a pale lemon with green flecks. This is very much from the expressive end of the Clare Riesling spectrum. Lovely limey aromatics with spices and grapefruit pith notes, along with hints of river stones and lemon butter. There is bright acidity evident here and excellent length. This is a fresh and attractive Riesling with considerable flavour and good persistence. Like this a lot. A ten year proposition, but it will drink well at any time over that period.”

92 Points

WINE ORBIT - SAM KIM - JULY 2024

“Pristine and brightly expressed, the delicately aromatic bouquet shows green apple, lemon sorbet and white floral notes, followed by a finely flowing palate that’s juicy and lively. Fabulously structured by racy acidity, finishing vibrant and mouth-watering. At its best: 2025 to 2033.”
